

Story-Oriented Questions

Intended to generate personal stories about food

View in Doc

Describe your best meal and how you were feeling and where you were.

Chris Han

What's your most recent experience of having good food? Could you walk me through what happened at that time?

Uri

Do you have other very impressive moments with food? Tell me more about that.

Uri

general "best meal" questions

Was there ever a moment where you couldn't enjoy your food? What was the context?

Chris Han

Tell me about a time when you were let down by food at a restaurant. Tell me about a time you were let down by food delivered from a restaurant.

Eamonn

now the opposite (still story oriented)

Have you ever eaten a meal where the food was mediocre/below expectations, but you enjoyed the experience anyway? Can you describe why?

Caroline Jjang

in the middle

about meals

- Describe your best meal and how you were feeling and where you were.
- What's your most recent experience of having good food? Could you walk me through what happened at that time?
- Do you have other very impressive moments with food? Tell me more about that.

when the opposite

- Was there ever a moment where you couldn't enjoy your food? What was the context?
- Tell me about a time when you were let down by food at a restaurant. Tell me about a time you were let down by food delivered from a restaurant.

in the middle

- Have you ever eaten a meal where the food was mediocre/below expectations, but you enjoyed the experience anyway? Can you describe why?

When do you happen to binge eat more?

Chris Han

Opinion-Oriented Questions About Food in General

Intended to generate opinions about food

How important is it to you that you have good company while you are eating?

Chris Han

ask about the importance of good company

How would you describe a food or an eating experience that is "good"?

Uri

How do you decide you like a restaurant?

Chris Han

What is your favorite part of the eating experience beyond what you are eating and who you are eating it with?

Caroline Jjang

now, beyond company, what other factors play a role?

Other Question Ideas

Do you bring devices when you eat?

What do you watch? When do you want to or not want to?

Opinion-Oriented Questions about the Process of Making Food

Describe your feelings when waiting for food to be served at a restaurant, and when it is served.

Eamonn

Where do you look to find restaurant recommendations, and how do you pick which one to go to besides asking the group who you are eating with? (how do you choose beyond asking "hey guys where do you feel like going")

Caroline Jjang

Have you ever watched someone cook? What are your thoughts?

Eamonn

Have you ever been to a restaurant with open kitchen? How do you compare that with normal restaurants?

Uri

Opinion-Oriented Questions about other factors and their roles

Describe the times you would rather buy your own food than make it.

Chris Han

Explain your cost/benefit analysis when you are deciding to make your own food or buy it

Chris Han

If you could either prepare and prepare your own food for the rest of your life, OR only eat out for the rest of your life, what would you pick and why? Follow up: What if cost wasn't a factor?

Caroline Jjang

Do you ever feel guilty for spending too much money on food?

Chris Han

If you do feel guilty, why do you continue this habit?

Chris Han

Do you ever feel self-conscious about what you are eating, or how much you are eating?

Eamonn

Do you have any ethical concerns around food? If so, how much do these ethical concerns impact what/how you eat?

Caroline Jjang

Opinion-Oriented Questions about Metaverse and Virtual Experience

What people think about metaverse and virtual experience?

Uri
